Seminar on the development of wind energy

*172. SHRI S. S. AHLUWALIA: Will the Minister of ENERGY be pleased to state:

(a) whether any seminar on the development of wind energy was held in New Delhi during the current year;

(b) if so, what were the issues discussed and suggestions made in the seminar and the decision of Government on each of the issues discussed;

(c) whether Government propose to implement some of the suggestions made at the seminar; and

(d) if so, what are the details thereof and if not, what are the reasons therefor?

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) and (b) An American Wind Energy Association Trade Mission organised a symposium on "US Wind Technologies" on 16th February 1988. In the symposium the Mission made presentations on overview of the wind power industry in USA which also included their experience on promotional policy, implementation and technical performance of wind turbines with special reference to wind farms for power generation. According to the papers presented, 1400 MW of wind farm capacity based on nearly 17000 grid connected wind electric generators has been installed till 31.12.1987 in the wind farms in California, U.S.A. Technical information on various US products and services in the area of wind technology were also presented.

(c) and (d) No specific suggestions or recommendations were made in the symposium. However, information on their experiences have been taken note of, in connection with the programme which Government had itself launched to harness wind energy in the country.

श्री वसंत साठे : ग्रापोजीशन हवा निकल गई । ...(व्यवधान)... बर्ताव जो है यह हवा ग्राप की निकल गई है ...(व्यवधान)...

हम यहां बिजली की बात कर रहे हैं बिजली दिलाने की बात कर रहे हैं... ...(व्यवधान)...

.....ये तमाशा क्वश्चन ग्रावर के बाद भी कर सकते थे...(व्यवधान)... ये तमाशा 12 बजे भी कर सकते थे...(व्यवधान)...यह सवाल पूछने का वक्त है ग्रौर उन सवालों का जवाब देने के लिये हम यहां पर हैं ।... (व्यवधान)
